

11th September, 2017.

Dear Parent(s)/Guardian(s),

Junior Cycle results

I write in relation to student attendance for Fifth Year, TY and 5LCA on Wednesday, 13th September. As you are aware the Junior Certificate results will be released on Wednesday morning at the College from 9:05 a.m. Alternatively, students or their parents may ring 064 6631021 from 9.15 a.m. **Students who received their results last year are excused from school for the day. Nor do they have to attend the school hike.**

As is the norm, classes in TY & 5th year are suspended for Result's Day. However in response to requests from students and parents, and our own belief that some healthy outdoor activity should be in place for our students on this day, we have organised a hiking trip on the old Kenmare Road. While it is moderately challenging, it is achievable by all in the year group. For the hike he will need a fleece, waterproof jacket, tracksuit and a packed lunch.

Mindful of the expenses incurred by parents at this time of the year, the school will cover the cost of the bus transport for the hike. If your son has any health issues which may impede his wellbeing during the walk, please advise the school in advance.

Mass for the Recovery of Ian O'Connell

Ian, a current member of Transition Year, was recently injured in a cycling accident. On Thursday next, September 14th at 7.30 p.m. a Mass for his full recovery will take place at the Church of the Resurrection. We ask that all classmates and friends make every effort to attend.

Sincerely,

**Sean Coffey,
Principal.**
